

Please consider prayerfully what you can do to support Southminster's mission and community in 2012. Increasing your pledge, or matching this year's amount, will do much to help continue our work and beliefs.

Changing circumstances mean that some must give less. But that's all right – because giving time and expertise is just as valuable. Let us know if you have other ways you'd like to give. Adjustments can always be made during the year, if circumstances change for the better.

Regardless of what you decide, we thank you for the pledge of money, time, and/or talent. We appreciate and respect your decision about what is right for you. We join you in committing to continued service to God and God's world through our ministry at Southminster Presbyterian Church.
