

Southminster Presbyterian Church, Beaverton, OR

Children & Families Ministry

Sunday Morning Logistics

Sign ins/outs

If you expect your child (aged 3 years through grade 4) to attend Sunday School, please sign them in on the appropriate sheet. Both *Godly Play* and *A Joyful Path* sign-in sheets are located in the narthex until the children leave the service for Sunday School. To sign children out, please come to Room 6 for children aged 3-6 (*Godly Play*) and Room 7 for children in grades 2-4 (*Joyful Path*).

Picking children up from class

Classes for children will end at 11:15am or after the 10am service is over, whichever is longer. Please come to pick up your children from the appropriate room at that time.

Safety

All volunteers and staff in Southminster's children's ministry must have a background check before working directly with children. To avoid the possibility or appearance of improper behavior, whenever possible adults should avoid being alone with a child during classes and events.

Volunteers and other needs

Ministry to children requires the engaged participation of adults. We are currently seeking volunteers in three areas: the nursery, the *Godly Play* room, and the *Joyful Path* room. One volunteer per area is needed every week. Descriptions of all three volunteer positions are on the back of this sheet; could you volunteer just once or twice this fall? Background checks are required for all positions, but are free of charge to you and can be completed in just a couple of days. Please consider it - the health of our community of children depends on an engaged community of adults!
