More Information....

"Portland Homeless Family Solutions" - **the Afternoon Host positions takes place from 3:00-6:00pm Friday. Tasks that you might do while volunteering in this position could be helping to organize and sanitize parts of the shelter, sorting donations, helping to manage with daily shelter tasks, setting out the afternoon snack, facilitating kid-friendly play and activities, or helping our school aged guests with their homework. Our Southminster group specific tasks will be determined as needs and details become available.**

"Comedy Sportz Club" -- **ComedySportz Portland performs fast-paced, hilarious and clean improv comedy. Now in their 17th season they are Portland's longest-running show. They haven't missed a weekend since May of 1993. Really! Even more awesome, they have supported the Oregon Food Bank since they began. We will bring cans of food as a part of our admission price.**

"Stay in Church Downtown" -- **We will be staying at First Presbyterian Church in downtown. This church is one of the oldest in the city - a great and safe place to hangout, play some Bigfoot in a creepy building, and chill for the evening. Note: This is pending final approval by First Presbyterian - if not, we may seek other alternatives or need to stay at Southminster. Stay tuned.**

"Blanchet House" - **Mission Statement: "to feed, clothe, and offer shelter and aid to those in need". The Blanchet House is able to offer food and shelter to Portland's homeless community at no cost to our whatsoever. Blanchet House depends, to a great extent, on the generosity of individual volunteers and groups. At the Blanchet House, we will be preparing and serving breakfast to the 100. Please know that you are helping to provide much more than just physical things like food and shelter - you're helping to provide HOPE!**
